

For Immediate Release

Jenison -- The Lodge at Allen Springs is now under construction and accepting reservations. This \$7 million dollar project is an independent living center with 60 apartments featuring ten unique floor plans including 1 & 2 bedroom units from 600 up to 1,300 square feet. The apartments will also include attached and detached garages.

The Lodge at Allen Springs is designed in an elegant European style. An elegant dining room, theater room, exercise room, and library are just some of the amenities featured at the Lodge.

The Lodge at Allen Springs is an Oak Crest community and residents of the Lodge will enjoy Oak Crest's renowned service including; home-cooked meals, a vibrant social calendar, transportation for outings and events, and 24-hour emergency call service.

The Lodge at Allen Springs is located at 8075 Cottonwood Drive, behind the Allen Springs Villas and next to Oak Crest of Jenison. Construction will be completed in 2009.

Reservations for the Lodge at Allen Springs are now being accepted on a first come first choice basis. Early reservations will be able to choose colors and interior options.
